# PRINCIPAL

Dear Parents/Carers,

What a lovely week of learning we have had here at Iceni Primary Academy.

My favourite was definitely on Thursday as I got to have fun on the beach!

I would be grateful if you would share this advert with people in the community, we really need two community governors to work with us.

Have a lovely weekend.

Emma Owner, Principal.

## Iceni Primary Academy is looking for new Community Governors to join their governing body.

Being a governor is a very rewarding experience. You will be part of a team who work to improve the life chances of children, some of whom come from very challenging backgrounds. No experience is needed, and you will learn new skills whilst giving something back to the community you live and work in.

We welcome a conversation with anyone who is interested in finding out more about school governance and what a difference you could make to young lives. Governance is enhanced by a team made up from a diverse range of ages, professions and social and cultural backgrounds, full training and support is given.

If you think you may be interested in becoming a community governor, please get in touch via email: [governance@attrust.org.uk](mailto:governance@attrust.org.uk) for more information about the role. If you know someone else who might be interested, please pass on our details to them.
