Happy New Year! 😊 I hope you've had a wonderful break, and the children are feeling happy and refreshed ready for the start of an action-packed Spring term!

Science – Plants and plant reproduction – linked to our Fens topic.

Humanities – We will be starting our new topic Tiger's Roar – looking at the development of the fens, the people and the controversy that it caused, as well as looking at the fens as a habitat and biome. We will also be visiting Wicken Fen for our class trip in March.

Computing – we will be studying vector graphics using SketchUp to make 3D models! 😊

R.E. – We will be looking into the Hindu faith and asking, ‘What is the best way for a Sanatani to show commitment to God?’

Design & Technology and Art – We will be finishing off our junk model vehicles and then moving on to our art topic – Nature and the artist Andy Goldsworthy.

Music – We're going to be writing a rap in ternary form and working up to ternary form using music software.

P.S.H.E. - Puberty and then moving on to ‘Dreams and Goals’.

PE will be continuing on Tuesdays and Fridays.

The Reading Raffle continues with tickets available every week. If your child forgets to bring their reading record home for you to sign or you have been unable to sign it, please message me via Dojo on a Friday to let me know they have read.

We will be reading Skandar and the Unicorn Thief.

Spellings – Please see below the list of spellings for this half term. We will also be continuing with our work on the high frequency words with most children 😊.
